College Counselor

The Academy at Penguin Hall seeks an experienced College Counselor to work with students and their parents in the College Counseling process. This candidate must have 3-5 years experience in either independent school college counseling or relevant and recent college admissions experience. The College Counselor is responsible for educating and supporting students and their parents in the college search and application process, acting as a liaison with college representatives to schedule visits to The Academy, drafting well-written and comprehensive letters of recommendation for each senior as well as providing feedback on their application materials, and hosting college counseling information sessions for parents and students across all grade levels as appropriate.
